WEDDINGS HOW IT WORKS

1

Submit Your Booking Request

Once we confirm availability for your date, we'll send over a customized proposal.

2

Lock in Your Date

To officially reserve your artists, we require a signed contract + a \$100 retainer.

3

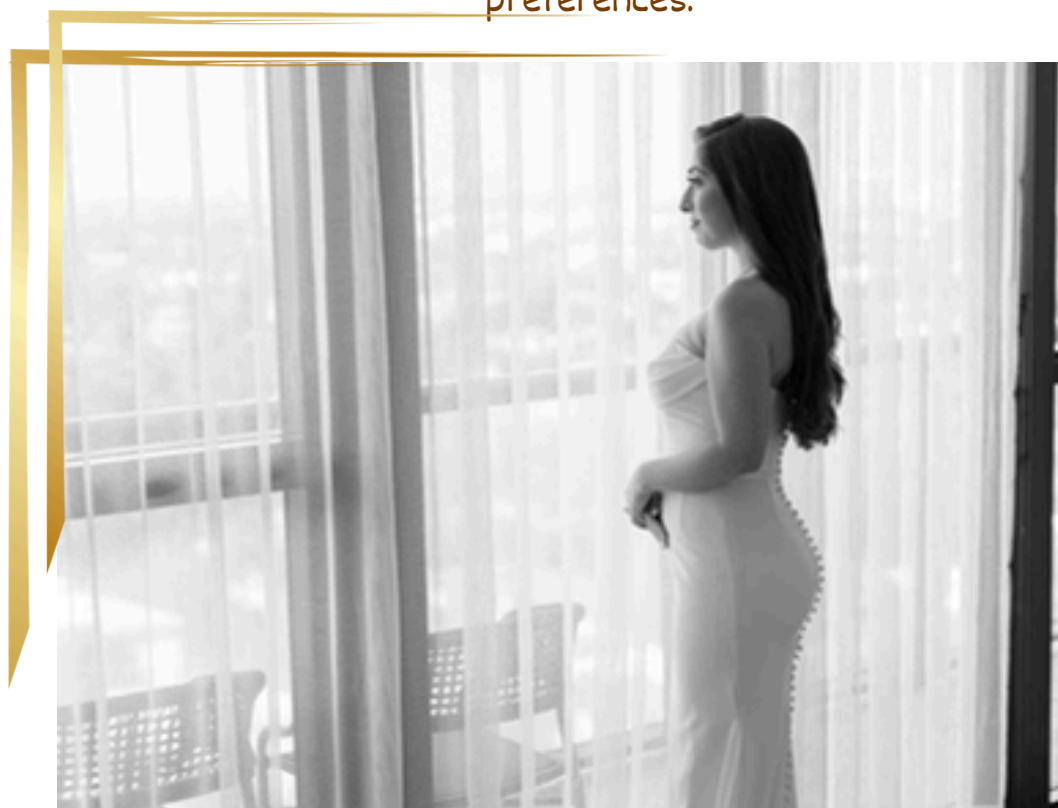

Schedule Your Trial

Most trials take place 1–3 months before your wedding. You can schedule it earlier if you'd like extra peace of mind!

4

Finalize the Details

Two months before the big day, we'll check in to confirm your final service count, create your timeline, and finalize your glam preferences.

♥ About Your Trial

Your bridal trial is one of the most exciting parts of the experience! While it's optional, we highly recommend scheduling one so you can feel confident, comfortable, and totally in love with your wedding day look.

During your 60–90 minute session, you'll work one-on-one with your lead artists to bring your vision to life. We'll go over your inspiration photos, skin type, comfort level with makeup, and any must-haves or no-gos — then test out a customized hair and/or makeup look that's designed to last all day and photograph beautifully.

To get the most out of your trial:

- Wear a white top (similar to your dress neckline) to help you see the full effect
- Choose inspiration photos of girls with similar features as you (hair, eye and skin color) and bring any hair accessories or veils you'd like us to try
- Arrive with clean, dry hair and skin — no flat irons or product beforehand!

Booking & Payment Details

To reserve your wedding date with Lustre Chic, we require a \$100 retainer and a signed electronic contract via DocuSign. This streamlined process can be completed from your phone or computer and ensures we can begin tailoring your bridal beauty timeline with care and precision.

For the smoothest experience, we recommend submitting your contract 90+ days in advance. This allows us to thoughtfully curate your artist team and accommodate your desired start time. Because our artists are in high demand — often booking up to a year in advance — we suggest securing your date as early as possible. Large teams like ours can accommodate multiple weddings per day, but early booking ensures you get the exact experience you're envisioning.

We'll keep a card on file for your convenience, and your final balance will be processed 7 days prior to your wedding. Any last-minute add-ons or touch-ups can also be handled seamlessly on the day of.
